Synergy Settlement Services Recognized as one of Central Florida's Fastest Growing Companies

ORLANDO, Fla. (June 10, 2019) -- Synergy Settlement Services (Synergy) was recognized as one of the 50 fastest growing businesses in Central Florida by the Orlando Business Journal.

An industry leader in settlement services for trial attorneys, Synergy is rapidly expanding across the country, with new offices in Atlanta, southern and northern California, Charlotte, Chicago and Maryland just in the last few months. The company recently moved its corporate headquarters to a new state-of-the-art facility in Baldwin Park to accommodate its growing team of attorneys, paralegals, case managers, lien resolution analysts, Medicare compliance experts and professional staff.

“While it is wonderful to be recognized for our incredible growth over the past few years, it is more exciting to see our industry leading team of experts expand to serve even more clients who are seriously injured and help them protect as well as keep more of their recovery at settlement”, says Synergy CEO Jason Lazarus.

In addition to the 2019 Central Florida Fast 50 award, Synergy also ranked 1182 on the 34th annual Inc. 5000, an exclusive ranking of the nation's fastest growing private companies.

The 2019 Central Florida's Fast 50: Top Fastest-Growing Companies list recognizes the 50 fastest-growing private companies headquartered in Central Florida's Orange, Seminole, Lake and Osceola counties. The firms were ranked based on their percentage of revenue growth from 2016-2018.
